# THE WOWC STAFF

## RUSSELL & SYLVIA

Russell and His Wife Sylvia came all the way from California initially to serve as Assistant Pastors of the then Denbigh Church of God. The plan was to transition to Senior Pastors within a year, however revival broke out and for the next 15 years Russell and Sylvia continued to serve as Assistant Pastors all the while fanning the flames of revival, launching out into the Missions Field, planting International Bible Schools and pioneering a powerful Prayer Movement in the VA COG. Finally, in 2012 the original plan came full circle with the transition of Russell and Sylvia into The role of Senior Pastor and 1st Lady.

## NORMAN & BECKY

Norman is WOW Center's own Swiss Army Knife. He began his life here as a member of the then Denbigh Church of God's Youth Department. After returning from Bible College at East Coast and University of North Carolina, he helped staff and establish the Denbigh

Christian Academy where he served as Principal and Administrator for 26 years. In 2012 Norman once again transitioned to WOW Center's Pastoral Staff to serve as Administrative Pastor. In this role, his many talents and skills are stretched on a weekly basis.

## JEFF & BECKI

Jeff South first surfaced at WOW with his family in 1992. An accomplished Naval Submarine Techie and Amateur Joke Cracker, he immediately sought to put his unique skills to work in the The Denbigh Church of God's Youth Department. He and his wife Becki

worked diligently in Youth Drama, Dance and Video. Traveling all over the East Coast with the Youth Group to do ministry and see hundreds of Young People make decisions for Christ. In 2002, on the heels of revival, Jeff transitioned full time into the Role

of Media Director. Today he works right beside his wife (literally their desks connect) recording, editing and producing radio, internet and other media content that has to date reach untold millions of people with The Gospel of Jesus Christ.

## PASTORS CORNER

At WOW Center we are all about God, Family and Worship. Joining a Ministry Team means that you are a changed life ready to change lives. We have dozens of in house ministries that would love to help you match your talents and time with several opportunities to serve and volunteer. Visit our website or the WOW Center Phone App to explore the many ministries that would love to connect with you and your family. Sylvia and I look forward to seeing all that The Lord has in store for us in 2018 as we worship and work together to reach the harvest.

Happy New Year Family!

We love you and pray for you.  
Pastor Russell and Sylvia

At any given point during the week Norman can be found performing wide ranging tasks which range from teaching, counseling, bus driving, cooking, budget crunching, and changing a light bulb. He is one of WOW Center's most knowledgeable Staff members and an invaluable part of all we do for The Kingdom.

## JR

Well for starters his real name is "Robert." JR began attending the then Denbigh Church of God in 1995 initially as part of the Hispanic Ministry. He and 5 other Youth from the Church led a revival at the school that quickly grew into over 700 people in 1996-1997. He would later get

permission from the Youth Pastor to bring his School Club to meet at the church because the school could no longer hold them. A week later, JR Showed up with about 250 youth from his school and the revival transferred to our youth department which grew to over 450 students at the time. JR Later would join the Staff in 2000 as the Youth Evangelism Pastor and then in 2005 he transitioned to Young Adult Pastor where he currently serves. JR loves discipling and creating new and effective ways to connect people into The Kingdom of God and the work of ministry.
